➤➤➤ PHYSICIAN ADVOCACY DAY 2024 RECAP

A record number of participants turned out for Physician Advocacy Day on March 5th! Lt. Governor Mike Kehoe kicked off the morning speaking with attendees before white coats took over the Capitol for the day sharing stories, expertise, and experience with our legislators. We spoke in support of SB 983 and HB 1976 regarding prior authorization reform, in support of SB 1396 and HB 2754 (on covenants-not-to-compete), and against SB 809 and HB 1561 (on scope of practice expansions for certain nurses).
